

Feedback to Parent carers about the child's daily lived experienced

You can use this sheet to compare what the parent carer's perception is of the child's day with what the child has said. Do this for each of the children separately. Talk about what the differences or similarities are. Identify positives or strengths as well as highlighting areas of concern or risk. Talk about what needs to be different and work with the family around deciding how to achieving this.

Parent's name:

Child's name:

	Parent carer's perception	Child's views
Getting Up <ul style="list-style-type: none"> • How do they get up in the morning? • Do they have anything to eat? • What about getting dressed and ready for the day? 		
Going to School <ul style="list-style-type: none"> • How do they get to school? • Does an adult take them? • Do they take younger brothers and sisters? • Do they walk with friends? 		
The school day <ul style="list-style-type: none"> • What do they like to do at school? What don't they like? • What do they eat at lunchtime? • Are they in any clubs at school? • Do they get bullied? 		
After school <ul style="list-style-type: none"> • Do they get collected from school? On time? • Do they stay for after school activities? 		

<ul style="list-style-type: none"> • What is the journey home from school like? • What happens when they get home? 		
<p>Evening</p> <ul style="list-style-type: none"> • Is food available? • Do they take care of anyone when they get home? Other brothers and sisters? Carers/parents/other adult relatives? • Do they have to do jobs in the house/run errands? 		
<p>Bedtime</p> <ul style="list-style-type: none"> • Do they have a bedtime? • Who decides when they go to bed? • Do they have a wash/brush their teeth? • Are they disturbed when trying to sleep?
